Once again, a dedicated and enthusiastic group comprised of BC's Music Industry and Media, are gathering to enjoy a glorious day of riding through the most beautiful part of this fine earth, to benefit **The Canadian Music Therapy Trust Fund**. This year we'll be riding to **Whistler, Saturday, September 19th**.

We are hoping you are able to generously step up, as you may have in the past, to help us, help this wonderful organization. It's simple. Each participating motorcycle (or classic car) contributes a sponsorship fee of \$300 (tax receipt supplied), which includes a fantastic day of riding, breakfast at the River Rock Casino (major sponsor & launch pad), BBQ Lunch in Whistler, souvenir long sleeved T, exciting live and silent auctions, amazing door prizes, and a majestic escort for the entire ride from The Vancouver Regional Police Drill Squad. You don't have to be a rider or have a bike to be involved. Corporate sponsorship, pledge donations from a few friends, or having representation of your business as a staff incentive, are all great ways to be a part of it.

Please take a moment in your busy day to check out our site, which has some great photos, and video from past rides.. There's also a registration form and further information on the ride. Attached are more details as well. We've had some wonderful celebrities come along on past rides and are confirming some fantastic guests this year. Check the site to see how much of a good time it is...

www.musictherapyride.ca <<http://www.musictherapyride.ca/>>

How can you get involved?

- Sponsor a bike (or bikes) Corporately or Personally
- Contribute Prizes for our Auction or Draws
- Expose the event to others (you Media pals) or pass the word
- Come along (Celebrity participants are gathering)

We all know how positively music can affect us. There are those who need its uplifting effects more than we can imagine. Music Therapy helps adults and children who are healing or terminally ill, focus on something aside from the struggles they are going through, breeds creativity, and can hopefully help them turn a positive corner in their lives.
